BLUE LOTUS CONSULTING & TRAINING WINS WEBSITE AWARD

(Long Beach, CA) The international Communicator Awards has recognized Long Beach based Blue Lotus Consulting & Training in its 2006 Print Competition for its overall website content and design with an Award of Distinction. The coveted honor is presented for outstanding work in the communication field and is awarded to projects that exceed industry standards.

Blue Lotus provides consulting and facilitation services in fundraising and organizational capacity building and offers technical assistance training to nonprofit organizations throughout California. The website was produced with the assistance and design expertise of Communications by Design also of Long Beach. The website can be found at www.bluelotus-consulting.com.
